**Sophomore Christian Service Reflection Synthesis Essay**  
**Date**
2. All essays must be one COMPLETE PAGE MINIMUM in 12 pt. font and one inch margin (top, bottom and sides)
3. You must reflect on all the following questions but it should not sound like you are answering questions as you would in an assignment from the questions in your Religion book.

**The theme of your service activity has been to focus on your place of worship.**

Describe in detail what you did for your sophomore Christian Service Project. Include the following: the name of the place of worship you served; whom you served (describe the need the people had and the service you provided); the names of any other student(s) with whom you may have worked.

Describe what the experience was like for you: what did you learn about yourself from doing it? What did you learn from the people you served? How were you able to help/serve them? Was it a meaningful experience for you? Did it cause you to think about your own values? Did it affect your faith and/or your relationship with God? Did it help you understand your responsibility as a Christian (or other religious faith)?

How does your service experience fit in with your understand of the Mission, Values, Vision and ESLRs (EXPECTED SCHOOLWIDE LEARNING RESULTS) of Notre Dame High School? (See the page with this information on it at the beginning of the packet)

If you were not able to do this at your place of worship you will have to adapt the questions to the place where you did your service. See me if you need assistance with this.

Attach your essay to your time sheet and turn in.
